

**COME BIOLOGISTS, COME BOTANISTS, COME
GARDENERS,
TO OUR
INTERMEDIATE/ ADVANCED INVASIVE
IDENTIFICATION WORK SHOP**

When: February 24th, 2011 from 10:00 am to 3:00 pm

**Where: Polk's Nature Discovery Center @
Circle B Bar Reserve 4399 Winter Lake Road Lakeland, FL 33803**

Who: Anyone who is interested in learning the threats of new invasive species in the central Florida area, and how to prevent and control the up and coming invaders such as, Strawberry Guava, Kudzu, Mexican petunia and more.

Why: To spread the word that invaders are among our landscapes, and we must act now so they do not take over our natural areas, uplands and wetlands a like.

To sign up for this work shop please call 863- 668-4673 ext. 205
